## **Inkerman**

### **3.3 Combat Unit Set Up**

The British b55-2 unit should set up in hex 1715 rather than in 2112 as is incorrectly shown on the counter.

### **5.5 Allied Reinforcements**

Delete the final paragraph of rule 5.5 and substitute the following text for it:

All Allied reinforcements enter via any southern map-edge hexes from 0824 through 2125, inclusive, as decided by that player on a unit-by-unit basis.
